Isabelle Rosé
2023

W.O. Stellenbosch

Blend: 72% Grenache Noir, 23% Mourvèdre, 5% Syrah

Tasting note

Luminous intrigue with subtle stone fruit aromas of apricot and peach and notes of fresh almonds make a commanding first impression.

The palate's subtle acidity Is balanced by chalky texture, contrasting the confectionary flavours and fresh cut strawberries. Lees ageing round off the length finish, providing layers of complexity.

A blend of 72% Grenache Noir, 23% Mourvèdre and 5% Syrah, this Rosé was produced from dryland farmed vineyards.

Whole bunch pressed grapes yielded 550 litres per ton of delicate, lightly coloured juice.

Fermentation in 4000L foudres imparted complexity and flavour intensity to the wine, revealing the full potential of these low yielding vines.

Winemaker – Adam Mason

TA 6,63 g/L | pH 3,06/L | RS 2,9g/L | Alc 12%
